Abstract

B *I* x² x₂

Regional autonomy was born as an interesting idea as a form of correction of the style of government and the relationship between the center and the regions which is centralized, exploitative and far from democratic values which are currently the mainstream of the prevailing political system in the world. 1.The Role of the Governor Philosophically, Based on the various explanations above, it can be concluded that the philosophical reconstruction of the position and role of the Governor must be based on the spirit of the existence of the Governor to safeguard the Unitary State of the Republic of Indonesia so that therefore the role and
