Dear Author(s),

I hope this message finds you well.

Your submission will undergo a comprehensive review by our editorial board and external reviewers. We will appreciate your patience during this process. I want to express my gratitude for your submission

After careful consideration, the reviewers will provide their feedback and recommendations for further improvement. The constructive comments aim to enhance the quality and impact of your work. We believe that addressing these suggestions will significantly strengthen your manuscript.

Thank you for your submission!

Best regards,

Best regards!

PhD Professor Nicola-Gavrilă Laura

colaborator for reviewing, editorial and publication processes
